# Vision

**CoupleBond** is a private mobile app that helps Christian couples organize life, grow spiritually, and celebrate their God-given journey—together.

Demo

# Design

# Design

- Emoji Placement
- Photo Collage Usage
- Calendar Implementation
- Unmatch Location
- Help Page

# Assessment

- Overall: **great** faith and activity functionality
- Strengths: devotion (Calendar, Daily Bread)
- Weaknesses: “digitalizes” relationships
- What’s next? Sarah and David continue their relationship!

Thank you for listening!
